Work for a National Park Service Unit!

Project Title	Work for a National Park Service Unit!
Project Summary	Share the story of Colorado National Monument with the world by making our documents accessible for all. While doing so, you can learn about the geology, plants, animals and recreational opportunities of Colorado National Monument.
Country	United States
Country/Region of Focus	United States

Project Description

Become a part of the National Park Service team at Colorado National Monument. Assist monument staff with making Adobe Portable Document Formats (PDFs) on our website accessible and compliant with Section 508, an amendment to the United States Workforce Rehabilitation Act of 1973, 29 U.S.C. § 794d. Use your own software, Adobe Acrobat Pro or similar version of Adobe Acrobat, to create or revise existing pdfs to make them accessible. In this way, people of all abilities can have access to information about Colorado National Monument.

Required Skills or Interests

Skill(s)

Editing and proofreading

Educational design

Graphic design

Writing

Additional Information

*Please provide resume.

**Proficiency in Adobe Creative Suite (especially Adobe Acrobat) is required.

Making documents accessible is a very marketable skill; all government agencies need this skill set. For more information about Colorado National Monument go to https://www.nps.gov/colm/index.htm.
